# SAI Arranger Certification Program (ACP) Program Overview

## Program Overview

- The Arranger Certification Program (ACP) is an **educational program** designed to provide additional training and further develop skills for Sweet Adelines International potential arrangers, as well as directors, quartet members and musical leaders who would like a better understanding of how to **analyze and arrange music in the barbershop style**.
- The program is broken into **three skill levels**:
  - Beginner, Intermediate and Advanced
  - Provides opportunities to develop and validate the skills and knowledge required to evaluate and create arrangements for barbershop singers.

**Modules 1, 3, 4, 5, 6, 7, and 8** must be taken in order and the test for each must be passed with at least **80%**, in order to take the next test.

**Modules 2 and 9**, which also must be passed with at least 80%, may be taken at any time.

This involves taking the tests for **Modules 2, 8, and 9**, passing each with at least **80%**.

Notify your Regional ACP Coordinator or Regional Education Coordinator if you wish to do so.

I joined in 1962 and spent most of my time quartetting in the early years. Then came directing, arranging and coaching. I reached the "Approved Arranger" status under the old system but made directing my first commitment rather than continue to "Certified" status. I continue to learn as I teach and I enjoy working with beginners and intermediates. It's my way of "paying it forward" for all that Sweet Adelines has given me.
