Registration package options and costs appear on the grid,
as well as instructions for mailing your chorus check.

Each chorus should coordinate as a group, and submit one online Registration Form – including one Group registration grid – and submit one chorus check. (Address on the Group registration form.)

Individuals (chapter-at-large and out of region members) should fill out the online Registration Form and should remit registration fees via PayPal ([click here](#)).

ADDITIONAL INSTRUCTIONS FOR THE CONTACT WHO WILL SUBMIT THE GROUP REGISTRATION FORM

- The registration forms must be completed electronically. **Handwritten forms will not be accepted.** [If you need assistance in completing the form please reach out to Mary Connelly directly (mmconnellysos@gmail.com). Please make sure to include VocalFest in the title of your email.]
- If you have more than 44 members registering to attend you may add additional rows by un-hiding rows 59 through 114. (To unhide these rows, highlight rows 58 and 115 on the spreadsheet, right click and select “unhide.”)
- The person completing the form is responsible for ensuring that the **registrants’ names are spelled correctly and appear as they should be printed on the badges.** We will not have the ability to reissue badges on-site.
- If the registrant is a dual member and would like to have their other chorus listed on their badge, indicate the name of the other chorus in the space available (Column H). The chorus with which the member is registering will be listed first on the badge. This space may also be used to indicate if someone wants to have their quartet name shown on their badge – and/or to note any special dietary needs.
- If you are registering a guest with your chorus, please indicate their primary chorus (if applicable) in the spot with their name.
