ADDITIONAL INSTRUCTIONS FOR THE CHORUS CONTACT WHO WILL SUBMIT THE GROUP REGISTRATION FORM

- The registration form must be completed and submitted electronically. Handwritten forms will not be accepted.
- If you have more than 43 members registering to attend, you may add additional rows by un-hiding rows 59 through 116. (To unhide these rows, highlight rows 59 to 116 on the spreadsheet, right click and select “unhide.”)
- Completed forms to be emailed to Alicia Caron at acaron1016@hotmail.com - If you need any assistance in completing the form please reach out via the same email.
- Please make sure to include VocalFest 2024 in the subject of your email.
- The person completing the form is responsible for ensuring that registrants’ names are spelled correctly and as they should appear on the badges. We will not have the ability to reissue badges on-site.
- If the registrant is a dual member and would like to have their other chorus listed on their badge, indicate the name of the other chorus in the space available (Column E). The chorus with which the member is registering will be listed first on the badge. Column E may also be used to indicate if someone wants to have their quartet name shown on their badge – and/or to note any special dietary needs.
- If you are registering a guest with your chorus, please indicate their primary chorus or quartet (if applicable) in the spot with their name (Column A).
