

“UNITED IN HARMONY”

2018 Region 15 Convention Hotel Assignments

The following assignments are based on meeting the required room nights under our contracts, the number of members in each chapter, the ability to provide rehearsal space and the idea to rotate all chapters between the Hilton and the Hampton Inn. The estimate of room nights is based on the experience of the last four years. HOWEVER, if there needs to be any reassignments once all the housing room request forms are in you will be personally notified.
