*Initial Friday start time for chorus rehearsals is based on the Quartet Competition expected end time with room for members to eat after the Quartet Competition as we know everyone would want to be at the arena to hear the results of the Friday Competition.*

**\*Please note that Rehearsal times were set to accommodate the specific requests from choruses including the request not to overlap rehearsal times for dual members if possible. Please be considerate and stay within the time limits set for your chorus rehearsal time.**

**\*\*Please note Choruses at the Hilton will have use of the room listed above during the day Saturday. Therefore, each chorus can set up their own Rehearsal time on Saturday. BUT for those choruses signed up for the Breakfast Buffet the food will be out only from 8 - 10 am on the first and second levels and 7 - 9 am on the third level. Please make sure that you schedule your chorus to eat during that time. The food will be taken away at 10 am L1&2; 9 am L3, as the Hotel, by law, cannot leave food out for more than 2 hours.**
