ADDITIONAL INSTRUCTIONS FOR THE CONTACT WHO WILL SUBMIT THE CHORUS REGISTRATION FORM

- The registration forms must be completed electronically. **Handwritten forms will not be accepted.** If you need assistance in completing the form please reach out to mary connelly directly (mmconnelly@yahoo.com). Please make sure to include VocalFest in the title of your email.
- If you have more than 44 members registering to attend you may add additional rows unhide rows 59 through 114. (To unhide these rows highlight rows 58 and 115 on the spreadsheet, right click and select “unhide.”)
- The person completing the form is responsible for ensuring that the **registrants’ names are spelled correctly and appear as they should be printed on the badges.** We will not have the ability to re-issue badges on-site.
- If the registrant is a dual member and would like to have their other chorus listed on their badge please make sure to indicate the name of the other chorus in the space available. The chorus which the member is registering with will be listed first on the badge. This space may also be used to indicate if someone is a member of an out-of-region quartet, if they have special dietary needs, or if that member has a reduced fee for the event (applicable member(s) and the chorus Finance Coordinator/Treasurer will receive a list of members from your chorus who are receiving a reduced registration prior to VocalFest).
