This is your official notice from SAI that competition registration is open!

Hello Sweet Adelines International Regional Competitors,

You may now register for the Region 15 contest being held May 7-9 in Albany, NY at the Empire State Plaza Convention Center (ESPCC).

The following links will take you to the regional competition webpages. There are several helpful documents on these pages. **Be sure to thoroughly read this year's information, located at the links below:**

[Quartet Competitor Page](#)

Please note that the entry deadline is **60 days prior to the contest date**. If you register for competition after the entry (60 day) deadline, you will have an additional **\$100 fee** added onto your registration. As well as the late fee, your chorus/quartet will not be entered into the initial draw for order of appearance, which is drawn 55 days prior to competition, but rather in a secondary draw two weeks later (after the late entry deadline).

No entries will be accepted after the late entry (45 day) deadline – no exceptions!

The [2020 Regional Dates and Deadlines](#) document includes these very important dates.

Remember: Only chorus presidents/team coordinators, directors, or treasurers can register a chorus (or prospective chorus) for competition, and only the quartet contact can register a quartet.

All competing choruses must update directors (this includes co-directors and assistant directors) in the chorus' organizational record within the Sweet Adelines International database. If chorus personnel is not updated in the database, the on-line registration for regional competition will not allow designation of unassociated directors.

If you have any questions regarding the regional convention, please contact your Regional Competition Leaders.

If you have any questions regarding competition, please contact the Sweet Adelines International [Competition Department](#).

Sincerely
